2nd Workshop on Applied Macroeconomics and Monetary Policy

St. Gallen, March 18, 2024

On March 18th, 2024, the Institute of Economics of the University of St. Gallen and APOYO Consultoría will organize the second edition of the Workshop on Applied Macroeconomics and Monetary Policy, which will be held in the Square building of the University of St. Gallen, Switzerland.

This workshop seeks to bring together applied macroeconomic researchers to promote and exchange ideas in the field of empirical macroeconomics and monetary economics. Researchers are invited to submit empirical papers that are consistent with the workshop's topic. The workshop is open to both young and experienced academic researchers and professionals from business, government and non-governmental institutions.

Keynote speaker:

Martín Gonzalez-Eiras, University of Bologna

Format:

The workshop will be offered in-person, but there will be limited places for virtual attendance via Zoom.

Submission:

The extended deadline for the submission of papers is February 23, 2024. Papers should be sent in PDF format to: macro_workshop2024@unisg.ch. Authors will be notified by February 25, 2024.

Fees:

There is no registration fee. Coffee breaks, lunch, and closing Apéro are covered by the organizers. Participants are invited to make their own arrangements regarding traveling and accommodation.

Organizers:

Maria Bolboaca (University of St. Gallen)

Renzo Castellares (Central Reserve Bank of Peru)

Nelson R. Ramírez-Rondán (Center for Latin American Monetary Studies)
